Ahmedabad, Gujarat

Subject: Application for the Position of Python Developer Intern / Trainee

Dear Hiring Manager,

I am writing to express my interest in the Python Developer Intern/Trainee position at your esteemed organization. I am currently pursuing a Python with Web Development course and am passionate about building a career in software development.

Through my training, I have gained knowledge of Python programming concepts, including variables, data types, conditional statements, loops, functions, lists, tuples, dictionaries, modules, and file handling. In addition, I am learning modern web development technologies such as Django, Flask, and Django REST Framework. These technologies have strengthened my understanding of web application development and backend programming.

I am a dedicated and enthusiastic learner with strong problem-solving abilities and a keen interest in exploring new technologies. I am eager to apply my knowledge in a professional environment where I can contribute to projects, learn from experienced professionals, and further enhance my technical skills.

I believe that my commitment to continuous learning, positive attitude, and growing technical expertise make me a suitable candidate for this opportunity. I am excited about the possibility of contributing to your organization while gaining valuable industry experience.

Thank you for considering my application. I would welcome the opportunity to discuss my qualifications and enthusiasm for this role in greater detail. I look forward to hearing from you.

Sincerely,

Riya Jivani
