

RECOMMENDATION LETTER

Date: 31 May 2026

To Whom It May Concern,

I am pleased to recommend Ms. Riya Jivani for opportunities related to software development, web development, and information technology. I have had the opportunity to observe her academic performance, technical learning, and professional attitude, and I am confident that she possesses the qualities necessary to succeed in her chosen career path.

Riya is currently pursuing a Bachelor of Computer Applications (BCA) and Python Full Stack Development training. Throughout her studies, she has demonstrated a strong interest in programming, problem-solving, and web technologies. She has acquired knowledge of Python, Django, Flask, MySQL, HTML, CSS, and JavaScript and continues to enhance her technical skills through practical learning and project development.

She is a dedicated, responsible, and enthusiastic learner who consistently demonstrates a positive attitude toward challenges. Her ability to learn quickly, work effectively with others, and maintain a strong commitment to her goals makes her a valuable candidate for any academic or professional opportunity.

In addition to her technical abilities, Riya possesses excellent communication skills, teamwork abilities, and a willingness to continuously improve. She approaches tasks with professionalism and determination and has shown great potential for growth in the software development field.

I strongly recommend Riya Jivani for internships, training programs, and entry-level positions related to software and web development. I am confident that she will be a valuable asset to any organization and will continue to achieve success in her professional journey.

Should you require any additional information, please feel free to contact me.

Sincerely,

Tops Technology Training Institute
